American Realism was a style in art, music and literature that depicted contemporary social realities and the lives and everyday activities of ordinary people. The movement began in literature in the mid-19th century, and became an important tendency in visual art in the early 20th century. Whether a cultural portrayal or a scenic view of downtown New York City, American realist works attempted to define what was real. In the U.S. at the beginning of the 20th century a new generation of painters
