The contributors explore different aspects of Britain's imperial experience as the empire weathered the storms of the two world wars, was subsequently dismantled, and then apparently was gone. How widely was the empire's presence felt in British culture and society? What was the place of imperial questions in British party politics?

Amazon.com: Britain's Experience of Empire in the ...

Empire was certainly not something that imposed itself upon Britain; more so, Britain seemed to mould her empire to the needs of the individual. Naturally, such a large, global construct such as empire would have significant effects on politics, economics and society in Britain but to see that it greatly changed the daily lives of those living in the homeland, would be unjustified.

What was the impact of empire on Britain during the period ...

The British Empire comprised the dominions, colonies, protectorates, mandates, and other territories ruled or administered by the United Kingdom and its predecessor states.

British Empire, a worldwide system of dependencies— colonies, protectorates, and other territories—that over a span of some three centuries was brought under the sovereignty of the crown of Great Britain and the administration of the British government. The policy of granting or recognizing significant degrees of self-government by dependencies, which was favoured by the far-flung nature ...

British Empire | Countries, Map, At Its Height, & Facts ...

The earliest known reference to the inhabitants of Great Britain may have come from 4th century BC records of the voyage of Pytheas, a Greek geographer who made a voyage of exploration around the British Isles. Although none of his own writings remain, writers during the time of the Roman Empire made much reference to them. Pytheas called the islands collectively αἱ Βρεττανίαι (hai ...

British people - Wikipedia

Britain's Experience of Empire is an important volume. It is thorough, accessible, and presents the first collected study of the impact of empire upon Britain's twentieth century. Moreover, in grappling with the effect upon Britain not only as being, but also of having been, an imperial power this book becomes part of the history it intends to write.
