Cellulite Solutions Spa

Cellulite can be diagnosed and categorised into four stages. The more advanced the condition of cellulite, the greater the effort required to treat it. When treating cellulite, the congested lymph and waste system needs to be cleared, the fibrosis around the hardened pockets of fat needs to be softened or broken down and the weak network of collagen and elastin fibers needs to be strengthened ...

38 reviews of Cellulite Solutions Spa "Endermologie. Huh, what is it? Endermologie is a noninvasive massage technique that uses mechanical roller and regulated suction to produce its results. I have had about 5 or 6 sessions to date so far and all I have to say is "WOW". Jody Reese, the Endermologist, has helped shape my body with this revolutionary procedure.
