The Social Work Assessment Notes (SWAN) hospice documentation system was developed as a quality improvement project to facilitate outcomes measurement in social work practice.

Social Work Assessment Notes: An Outcomes Based Hospice ...

By Dr. Saul Ebema. The single-most-scrutinized area for hospice providers by the U.S centers for Medicare & Medicaid Services (CMS) is patient eligibility. While most hospice programs are admitting eligible patients, they often don't prove eligibility with their documentation. From admission, to clinician visits, to recertification, nurses, social workers, and chaplains must document unequivocally whether the patient is chronically ill versus terminally ill.
