"Oldtimers" and I figure I can ask it that way since I'm an old fart myself! :-) Over the years, I've seen Lachmiller dies at gun shows, etc. but I never paid that much attention to them other than a glance as I wasn't reloading. From what I've read, they are "vintage" (like me :-)) and it's my understanding that RCBS bought them out or absorbed them.

completion of the Berger Bullets Reloading Manual. This 829 page manual has become real and is now available. Our team worked very hard to create a thorough manual which gives the shooter everything they come to expect from a reloading manual, along with several extra items we hope the shooters will find interesting and useful.
