The editors elaborate an innovative synthesis of institutionalist theory that contributors use to explain the sources and consequences of the emergence and institutionalization of European political arenas. Some chapters examine the evolution of integration and supranational governance across time and policy domain.

### Institutionalization of Europe - Oxford Scholarship

The Institutionalization of Europe. Edited by Alec Stone Sweet, Wayne Sandholtz, and Neil Fligstein. Description. In 1950, a European political space existed, but only as a very limited site of international governance; today, the European Union governs in an ever-growing number of policy domains. This book provides an eye-opening account of the development of the European Union, from a relatively specialized assembly of economic cooperation to the complex entity that governs today.

### The institutionalization of Europe (Book, 2001) [WorldCat.org]

The institutions were carried over from the European Economic Community (making the Commission of that community the direct ancestor of the current Commission). Under the Treaties of Rome, the Common Assembly (which renamed itself the Parliamentary Assembly, and then the European Parliament) was supposed to become elected.

### Institutions of the European Union - Wikipedia

the EU's broad priorities are set by the European Council, which brings together national and EU-level leaders directly elected MEPs represent European citizens in the European Parliament the interests of the EU as a whole are promoted by the European Commission, whose members are appointed by national governments

### Institutions and bodies | European Union

The seven institutions of the European Union (EU) are seated in four different cities, which are Brussels, Frankfurt, Luxembourg City and Strasbourg, rather than being concentrated in a single capital city. The EU agencies and other bodies are located all across the union, but usually not fixed in the treaties.

### Institutional seats of the European Union - Wikipedia

The debates on a constitution for the European Union (EU) and on establishing democracy in postcommunist Europe in the 1990s reflected the attempt to regulate political behaviour and to enhance responsible government. Political institutionalization is therefore not a static but a dynamic process. Theories of institutionalization

### institutionalization | Definition, Sociology, & Theories ...

This chapter focuses upon the process of institutionalization of Islam in Europe and is divided in two parts. The first part examines (a) the context framing this process from a legal, social, and political perspective, (b) the players who are involved, and (c) the dynamics taking place among the involved actors in the described context.

### Institutionalization of Islam in Europe - Oxford Handbooks

The institutionalization of European administration space is examined through one of the least visible or understudied, but most important, outcomes of integration: the development of administrative law for the European Union (EU).

### Institutionalization of European Administrative Space ...

The institutionalization of science followed from the overhaul of Europe's legal systems during the twelfth century. The new legal systems facilitated the development of the university, an institution of higher learning quite unlike any that had come before it, and gave natural philosophers unprecedented control over their craft.

### The Inside Story of How Europe Landed Its Massive Stimulus ...

Europe has a heavily bank-based financial structure, but bank-based financial structures are associated with higher systemic risk than market-based financial structures. The higher level of systemic risk in Europe suggests caution when pursuing policies that stimulate risk taking and debt creation by banks, especially in the wake of COVID-19.
