The Perfect Mile - Clarence Bass

Publisher Description. There was a time when running the mile in four minutes was believed to be beyond the limits of human foot speed, and in all of sport it was the elusive holy grail. In 1952, after suffering defeat at the Helsinki Olympics, three world-class runners each set out to break this barrier. Roger Bannister was a young English medical student who epitomized the ideal of the amateur — still driven not just by winning but by the nobility of the pursuit.
