The panels follow the stream of time across 40 centuries in vivid colour, describinf civilizations, rulers and empires from 4000 BC (the Creation of the World!) to the present. NEW.

The Wall Chart Of World History by Hull, Edward

Adams Synchronological Chart or Map of History, originally published as Chronological Chart of Ancient, Modern and Biblical History is a synchronological wallchart and timeline that graphically depicts the history of mankind from 4004 BC, the biblical beginning of man, to modern times. The chart is based on the Bible, thus a chronological history of the Bible is presented on its first pages, that eventually merges with secular history on the pages following. The original version by Presbyterian

The wall chart of world history. (image, 1988) [WorldCat.org]

This chart is an incredibly detailed timeline of world history covering 6000 years. At the top are the years and as you look down the chart you are able to see what was going on everywhere in the world at that time. It is a great way to put an event into context with the rest of the world at that same time.
