Three Mothers Three Daughters Palestinian

This highly original book recounts the surprisingly candid stories of three Palestinian mothers and their daughters. Beautifully told and sensitively edited, these linked narratives bear witness to their experiences of Israeli occupation, their memories of the wars of 1948 and 1967, and the profound changes that have occurred in their political and personal lives.

The three mother-daughter pairs offer vivid examples of how this search for education plays out in three families. The mothers in our study are all illiterate; two did not go to school at all, and one went only to first grade. In stark comparison, two of the daughters went to college, and the third completed ninth grade.
